— Introduction —

James Wyllie moved to his present farm in 1931. His first Shorthorns were bought in 1952. The first Polled Shorthorn bull used was the Al bull, Shadybrook Commando 55th X. A son of the 55th, Wyllie's Lad 1S, made a considerable contribution to the herd and nine daughters sell. In 1969 Mr. Wyllie bought Thomas Leader 9Z. Several daughters sell. The lot 2 bull was bought to use on the Thomas bull's daughters. This is a working herd and the only source of income on the farm. Breeders interested in good Shorthorns will make this sale "a must event" for the fall of '75.
